¹ "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council's recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3.

The Appendix 4G is not a substitute for, and is not to be confused with, the entity's corporate governance statement. They serve different purposes and an entity must produce each of them separately.

² Tick whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where your corporate governance statement can be found. You can, if you wish, delete the option which is not applicable.

³ Throughout this form, where you are given two or more options to select, you can, if you wish, delete any option which is not applicable and just retain the option that is applicable. If you select an option that includes "OR" at the end of the selection and you delete the other options, you can also, if you wish, delete the "OR" at the end of the selection.

Recommendation 2.1 – Nomination Committee

The Company's Remuneration and Nomination Committee Charter provides for the establishment of a committee with at least three members, a majority of whom shall be independent Directors, and which must be chaired by an independent Director who will be appointed by the Board. The Remuneration and Nomination Committee Charter, which outlines the responsibilities of the Committee, is available on the Company's website at <http://avecho.com.au/investor-centre/>.

Due to the size of the existing Board and the magnitude of the Company's operations, the Company has not established a Nomination Committee. Pursuant to the Company's Remuneration and Nomination Committee Charter, the Board carries out the duties that would ordinarily be assigned to the Nomination Committee in accordance with the Charter of the Committee.

To address Board succession issues and to ensure that the Board has the appropriate balance of skills, knowledge, experience, independence, and diversity to enable it to discharge its duties and responsibilities effectively, the Board continuously monitors and assesses its requirements and determines whether, and when, any action is required.

It is the Board's view that the current directors possess an appropriate mix of relevant skills, experience, expertise, and diversity to enable the Board to discharge its responsibilities and deliver the Company's strategic objectives. However, in line with the diversity objectives set out for the financial year 2022 (as outlined under Recommendation 1.5 of the 2022 Corporate Governance Statement), the Board will regularly assess mix of skills and experience on the Board and will endeavour to appoint a female candidate with appropriate expertise.

Recommendation 2.3 - Independent Directors

An independent director is a Non-Executive Director who is not a member of management and free from any business or other relationship that could materially interfere with, or could reasonably be perceived to materially interfere with, the independent exercise of judgement.

The Board regularly assesses the independence of each Non-Executive Director in light of the information which each Director is required to disclose in relation to any material contract or other relationship with the Company in accordance with the Director's terms of appointment, the *Corporations Act 2001*, and the Board Charter.

When appointing an independent director or reviewing the independence of its Directors, the Board will have regard to the definition of independent director and the factors set out in the Recommendations, in particular the factors relevant to assessing the independence of a director set out in Recommendation 2.3.

The Board currently has two independent directors, Mr Matthew McNamara and Dr Ross Murdoch.

Dr Gregory Collier is currently considered by the Board to not be independent on the basis that, over the last three years, he had been held executive roles in the Company. Dr Gregory Collier was the Executive Chair of the Company between 27 March 2019 before resuming his role as Non-Executive Chair on 1 May 2020.

The Board considered that the shares held by Horizon 3 Biotech in the Company, an entity in which Mr McNamara holds directorship and is also the Chief Investment Officer, would not materially interfere with, nor could they be reasonably perceived to interfere with, the independent exercise of Mr McNamara's judgement in his position as a Director of Avecho as proper procedures are in place to avoid any potential conflict of interest which may arise from Mr McNamara's roles at Horizon 3 Biotech with his position at Avecho. Mr Matthew McNamara is otherwise free from any business or other relationship that could materially interfere with, or reasonably be perceived to interfere with, the independent exercise of his judgement as a Director, and he is able to fulfil the role of independent Director for the purposes of the ASX Recommendations.

The Board also considered Dr Ross Murdoch to be an independent Director of the Company. His Managing Director and CEO role with the Company more than three years ago along with his contractual relationship with the Company through Extractas Bioscience (to supply specific natural medicinal cannabis products to Avecho) were considered not to materially interfere with, nor could they be reasonably perceived to interfere with, the independent exercise of Dr Murdoch's judgement in his position as a Director of Avecho. Dr Murdoch is otherwise free from any business or other relationship that could materially interfere with, or reasonably be perceived to interfere with, the independent exercise of his judgement as a Director, and he is able to fulfil the role of independent Director for the purposes of the ASX Recommendations.

The Board's assessment of each current Director is set out below:

Director	Position	Date of Appointment	Status
Dr Greg Collier	Non-Executive Chair	13 April 2015	Non-Independent
Dr Ross Murdoch	Non-Executive Director	13 April 2015	Independent
Mr Matthew McNamara	Non-Executive Director	13 January 2020	Independent

Recommendation 2.4 - Majority to be Independent Directors

As at the date of this Statement, two out of three Directors are deemed independent directors, being Dr Ross Murdoch and Mr Matthew McNamara. The current Board composition reflects an appropriate balance of skills, expertise and experience to fulfil its obligations to act in the best interests of the Company and all stakeholders. The Board also considers that there are appropriate safeguards in place including policies and protocols to ensure the independent thought and decision making.

2022 Corporate Governance Statement

The composition of the Board is reassessed annually to ensure that the Board is able to meet the needs of the Company. Further information regarding our Directors, including their experience and qualifications, is set out in the Directors' Report of the Company's 2022 Annual Report.

Recommendation 2.5 - Board Chair

Dr Gregory Collier is a non-independent Non-Executive Director and is the Chairman of the Board. The Chair provides leadership to the Board in relation to all Board matters and is responsible for ensuring that the Board meets its responsibilities under the Board Charter. The role of CEO is currently being fulfilled by Dr Paul Gavin and the Board Charter recommends that, where practical, the CEO should not be the Chair of the Company.

The Board recognises that the role of the Chair should be fulfilled by an independent Director, however the Company's current size dictates that this is the most efficient mode of operation at the current time. The role of the Chair has been outlined in the Board Charter, available on the Company's website at <http://avecho.com.au/investor-centre/>.

The current Board composition reflects an appropriate balance of skills, expertise, and experience to fulfil its obligations to act in the best interests of the Company and all stakeholders. The Board also considers that there are appropriate safeguards in place including policies and protocols to ensure independent thought and decision making.

The Board will consider the Recommendations in assessing any future changes in board composition.

Recommendation 2.6 - Induction, Education and Training

In accordance with the Company's Board Charter, the Board is responsible for the approval and review of induction and continuing professional development programs and procedures for Directors to ensure that they can effectively discharge their responsibilities. The Company Secretary is responsible for facilitating inductions and professional development.

New Directors are provided with copies of all relevant documents and policies governing the Company's business, operations, and management, at the time of joining the Board. All Directors are provided, as and when required, with ongoing professional development and training opportunities to enable them to develop and maintain their skills and knowledge. Directors are also encouraged to personally undertake appropriate training and refresher courses as appropriate to maintain the skills required to discharge their obligations to the Company.

PRINCIPLE 3 – ACT ETHICALLY AND RESPONSIBLY

The Audit and Risk Committee Charter can be found on the Company's website at <http://avecho.com.au/investor-centre/>.

2022 Corporate Governance Statement

The Company does not intend to have an Audit and Risk Committee as the Board did not consider the Company would benefit from its establishment. In accordance with the Company's Board Charter, the Board carries out the duties that would ordinarily be carried out by the Audit and Risk Committee under the Audit and Risk Committee Charter, including the following processes to independently verify and safeguard the integrity of its financial reporting, including the processes for the appointment and removal of the external auditor and the rotation of the audit engagement partner:

- the Board devoting time at Board meetings to fulfil the roles and responsibilities associated with maintaining the Company's internal audit function and arrangements with external auditors; and

Any periodic corporate report the Company releases to the market that is not audited or reviewed by an external auditor is reviewed and approved by the Board so that it is satisfied the report in question is materially correct, balanced and provides investors with appropriate information to make an informed investment decision. Following review by the Board of Directors the report is formally approved prior to release.
